

Planned Intervention Program Adolescents & Young Adults Under 21

Beginning January 2014

*This service is funded in part by
the Joseph Marinello Hope Fund*

Helping Families Find Their Way with their substance abusing Teen/or Young Adult

Work with our team of Planned Intervention Experts to:

- Create a unified circle of caring around your loved one
- Make the decision about the best program for your family member
- Develop a careful plan to jump start the treatment and recovery process

All communication is confidential
