

Student Assistance Services Corporation

What Social Workers and Substance Abuse Professionals Need to Know About Using the DSM V to Inform Diagnosis and Clinical Intervention with Adolescents

Approved for two Social Work and LMHC CEUs
Approval pending for two CPP/CPS and CASAC re-credentialing hours

Wednesday August 8th

1:00 – 3:00 PM

\$40.00

Location: Student Assistance Services Corporation
660 White Plains Road, Tarrytown, NY 10591, (914) 332-1300

This workshop will provide an overview of DSM V with particular emphasis on those disorders most prevalent in adolescents. Case studies will allow participants to practice application of didactic information presented.

Dr. Alma Spaniard, MD, Assistant Professor of Psychiatry and Assistant Attending Psychiatrist, Weill Medical College of Cornell University.

Go to www.sascorp.org to register for any of our summer trainings (click the "New Training Information" link and then click the "Online Registration" button). Or fax the registration form below to 914-366-8826. To receive CEUs you must arrive on time and attend the entire workshop. No partial credit.

Space is limited. No confirmations will be mailed.
