Approved for: 1.5 Social Work CEUs and LMHC CEUs

Approval pending for: 1.5 CPP/CPS credentialing and 1.5 CASAC re-credentialing hours

**Wednesday August 23, 11:00 am – 12:30 pm**

**COST - \$25.00**

**Location:** Student Assistance Services Corporation

660 White Plains Road, Tarrytown, NY 10591, (914) 332-1300

Brain injury is the most frequent cause of disability and death among children and adolescents in the U.S. Therefore it is important for substance abuse professionals, social workers and mental health counselors working with adolescents to: be familiar with the signs and symptoms of brain injury; be able to identify possible incidents of brain injury; respond appropriately to the initial injury; and to have resources to assist families and youth. This workshop will address the key issues for professionals outlined above.

**Margo Berch Singer, Certified Brain Injury Specialist, MPA**, Program Coordinator, Brain Injury Training & Program Services, Brain Injury Association of NYS
