

# Student Assistance Services Corporation

## Understanding the Effects of Addictive Substances on the Adolescent Brain

Approved for: 2.0 Social Work CEUs and LMHC CEUs

Approval pending for: 2.0 CPP/CPS credentialing and 2.0 CASAC re-credentialing hours

**Tuesday August 15, 1:30 – 3:30 pm**

**COST - \$40.00**

**Location:** Student Assistance Services Corporation  
660 White Plains Road, Tarrytown, NY 10591, (914) 332-1300

This training will use actual PET (positron emission tomography) images to highlight how alcohol and drug use affect the developing adolescent and adult brain. The discussion will include a range of drugs of abuse, including illicit drugs, prescription drugs, marijuana, synthetic marijuana, energy drinks, vaping and caffeine. Implications for using this information to educate parents and adolescents will also be presented.

**Stephen Dewey, PhD**, is Manager, MicroPET Core Facility, Feinstein Institute for Medical Research, Manhasset, NY

**To register:** Complete and return the registration portion of this form or visit [www.sascorp.org](http://www.sascorp.org), click the "New Training Information" link and then click the "Online Registration" button.

Space is limited

No confirmations will be mailed.
